INTRODUCTION

At its root, fear is often deceiving. In fact, many things we fear will never actually happen. Or, if they do, the outcome or effect is often far more positive than expected.

That said, there are legitimate fears that serve as protection against acts that would otherwise harm us. For instance, children need a healthy fear of a hot stove to keep them from touching it and getting burned.

However, fear becomes a problem when we give it a place of control in our lives. Too often, we allow fear to change our behavior or influence our decisions in ways that become destructive.

Action based on fear is not faith.

WE ARE NOT DEFENSELESS AGAINST FEAR

By God's grace, we do not stand defenseless against fear.

At times, however, we unwittingly forfeit our defenses by not picking up the shield of faith or wielding the sword of the Spirit.

Courage does not necessarily cure fear. Rather, it is a right view of God's power, love, and sovereignty—as revealed through Scripture—that allows us to lay our fears at His feet.

HOW TO USE THIS COLORING BOOK

Now more than ever, as the world grows increasingly dark, we must use every tool at our disposal to shift our children's focus from fear to faith.

These coloring pages serve as a simple tool to encourage your children to run to the Father with their fears. He stands with open arms, ready and able to deliver them.

Invite them to color while they listen to you read from *Overcoming Fear* or encourage them to color in their free time.

You may even want to color a few pages yourself....

OUR PRAYER

As we share in *Overcoming Fear*, it is our desire and prayer that this resource helps you cultivate **faith over fear in every circumstance**—that God may be glorified and your family fortified!

*I sought the LORD,
and He answered me
and delivered me
from all my fears.*

Psalm 34:4
